

STATISTICS

<http://www.census.gov/manufacturing/cir/index.html> Production and shipment reports for manufacturing industries. Not all industries are included and some information is only available as annual data.

<http://www.fedstats.gov/> Provides access to the full range of official statistical information produced by the Federal Government without having to know in advance which Federal agency produces which particular statistic. Includes statistics from over 100 government agencies.

<http://www.econdata.net/> Guide to regional economic Data on the web.

<http://econdisc.stlouisfed.org/> Maintained by the Federal Reserve Bank of St. Louis, this site contains a number of data sources: FRED (current data), ALFRED (archival), GeoFRED (Gis-enabled), Graphical (FREDGraph), Banking (CASSIDI), and Historical data (FRASER).

<http://liber8.stlouisfed.org/> Economic data portals for students, teachers, and librarians from the St. Louis Fed. Not as daunting to use as EconDISC.
